(Saline County)

The Illinois Environmental Protection Agency (IEPA) has made a tentative determination to terminate the NPDES permit for the above named discharger.

| | |
|-------------------|-------------------------------------|
| Discharge no(s): | 001 STP Outfall |
| Type of Waste: | Domestic |
| Flow Rate: | 0.0033 MGD, DAF |
| Classification: | General Use |
| Receiving Waters: | Unnamed tributary to Blackman Creek |

The Agency intends to terminate the permit because the facility no longer discharges. The treatment plant has been taken out of operation and the outfall eliminated.

Interested persons are invited to submit written comments to the IEPA at the above address. The NPDES permit and notice number(s) must appear on each comment page. Any interested person may submit a written request for a public hearing, stating his or her name and address, the nature of the issues proposed to be raised and the evidence proposed to be presented with regards to those issues.

The application, Public Notice/Fact Sheet, comments received, and other documents are available for inspection and may be copied at the IEPA between 9:30 a.m. and 3:30 p.m. Monday through Friday.

All comments on the intended termination of the permit and requests for hearing must be received by the IEPA not later than 30 days from the date of this publication. If written comments or requests indicate a significant degree of public interest, the permitting authority may, at its discretion, hold a public hearing. Public notice will be given 45 days before any public hearing. For further information call the Public Notice Clerk at 217/782-0610.
